Paper on Intelligence Requirements and Collection Tasks in

Relation to Priority National Intelligence - DCID 4/5

1. The attached paper was submitted to the Director of Central Intelligence by Special Assistant to the Director for Planning and Coordination, Mr. Richard M. Bissell, Jr., in fulfillment of the assignment explained to the IAC in IAC-D-50/5, 20 January 1955. In the preparation of this paper informal consultation was held by Mr. Bissell's office with those principally interested, Army, Navy, Air Force, JIG and State, and the paper is designed to reflect the various facts obtained in that consultation.

2. The Director has accepted this report and requested that it be disseminated to the IAC members for their information. It will not be placed on the agenda except at the request of a member of the IAC.
